## SOURCE

Five Me-109s were observed flying over PILSEN (N 50/L 04) in connection with the popular festival celebrated in the town on 3 September 1949.

25X1A **Comment:** The "popular festival" mentioned in the above report was very probably "Air Force Day" which, according to press reports, was celebrated by the Czechoslovakian Air Force in 16 towns of the republic. The observed Me-109 planes possibly belonged to the 4th Htr Regt assumed to be located in PILSEN.
